

Jessie Mac's Environmental Policy

Jessie Mac's is committed to working in a sustainable way. We are undertaking the following actions and commitments in order to achieve this:

- We comply with the requirements of environmental legislation and approved codes of practice
- We continuously seek to improve our environmental and social performance
- We minimise pollution, emissions and waste
- We minimise the use of energy, water and other resources
- We raise awareness, encourage participation and train staff in sustainable business practices
- We expect similar environmental standards from all suppliers and contractors
- We assist customers to use products and services in an environmentally sensitive way
- We support the local community by buying local produce, hiring local skills and by supporting community initiatives wherever possible
- We are a Fairtrade business, committed to buying fairly traded products and increasing our range all the time
- We have minimised any risks associated with social and environmental issues
- We have joined the Green Tourism Business Scheme as an indicator of our sustainable practices

We would like to ask you to help us – the black folder in your room has suggestions on what you can do. We can always do better, so please put any ideas in the suggestion box on the first floor landing.
